## Professional Summary

UI/frontend developer and CSE undergraduate with hands-on experience building production interfaces, custom Modern dashboards, and Figma-led product flows across two concurrent internships. Salesforce Trailhead Ranger and Innovator '26 recognition, now deepening into Apex, LWC, and Agentforce. Skilled at translating complex, data-heavy requirements into clean, high-fidelity UI.

## Experience

UI/UX Design intern — Infotact Solutions — May '26 – Present

- Built custom interactive dashboards, including specialized fleet visualization platforms (TPMS, TyreOS).
- Refined legacy interface architectures to improve front-end rendering speeds and cross-viewport responsiveness.

UI Design and Responsive Web Dev Intern — Fleeca Pvt. Ltd. — May '26 – June '26

- Designed end-to-end Figma product flows for specialized fitness, wearable technology, and B2B SaaS platforms.
- Collaborated with engineering teams to map high-fidelity user workflows into technical interface specifications.

## Skills

- Design & UI: HTML, CSS, JS, React, Next.js, Tailwind, GSAP, Figma, Relume, Webflow, Adobe XD
- Salesforce: Fundamentals, CRM, Admin, Dev (Core), Agentforce, Flow
- Misc: Git/GitHub, Motion Design, Prototyping, Testing, Rooting, Custom ROMs, Multi-OS Env

## Projects / Hands-on

Intent-tab - a browser extension

- Engineered an intent-driven browser extension focused on optimizing and streamlining daily browsing workflows.
- Utilized frontend core scripts to manage state and enhance active tab performance parameters.

Artisaan - AI artisan marketplace

- Conceptualized and built a trust-based, mobile-first user interface for a generative AI service marketplace.
- Maintained complete cross-device visual integrity across dense, data-heavy interface layouts.

*Plus, several other builds - Pravasa, SkyTel Solutions, Internships & Academic Project based Learning work - available at GitHub.*

## Education

- B.Tech (CSE) | Arya College of Engg. And IT, Jaipur | Exp: 2028
- Higher Secondary | GR Global Academy, Jaipur | Completed: 05/2024
- Secondary | Pawar Public School, Mumbai | Completed: 07/2022

## Certificates and Achievements

- Engineering: C Essentials, MongoDB, Web Dev, Linux, GitHub, Networking, Prompt Engineering
- Salesforce: Ranger, 150+ Badges, 4 Super badges, Innovator '26
- NPTEL: Programming in Java, Cloud Computing, DSA Design
- Misc: FullStacks Bootcamp, Salesforce AI Builders Day, Eureka – Pitching Comp, Innovicion Hackathon
